

Guidelines for Abstract Submission

Please follow the following points to prepare your abstract of the conference contribution.

- **Title** - highly informative, no more than **260 letters including spaces**.
- **Authors** - first name, abbreviation of middle name(s) and surname (e.g. *Peter R. K. Smith*).
Name all authors.
- **Author's affiliation** - the name of the institution as follows -
e.g. School of Expertness and Valuation, Institute of Technology and Business in České Budějovice, Ceske Budejovice, Czech Republic;
or Institute of Economy, Academy of Science of the Czech Republic, Fresno, Czech Republic)

More affiliations with on author, separate by semicolon.

DO NOT forget the **city and the country!**

- **Keywords** - **85 letters** maximum **including spaces**. Separate by comma.
- Define all **symbols** used in the abstract. Do not cite any **references** in the abstract.
- **Abstract** - no more than **2000 letters including spaces**. **Exceeding text will be cut without revision**. Do not use formulas, equations, figures, tables or charts. Check that all the information is correct and make revision for writing errors.

Attention! Any texts exceeding the given limit of letters will be cut without revision.
